CONSOLIDATED RULESET 2026 - CR26

The FedRAMP CR26 release will apply to both Rev5 and 20x to create a stable certification path valid for two years.

- Finalizes 2026 guidance for wide-scale application
- Incorporates final versions of current RFCs that are out now
- Enforced beginning 2026 DEC 31, valid until 2028 DEC 31
- Changes within this version will be minor updates only (ie FCR26A)

After release, FedRAMP will begin work on CR27 - providers may choose to follow along or sit back and wait.
