How we'll work (moving forward)

The GitHub repository has
been consolidated with two
overarching working groups:

- **20x Working Group**
 - Meets biweekly Wednesdays
at 1:00 PM starting 6/11/2025
- **Rev5 Working Group**
 - Meets biweekly Wednesdays
at 1:00 PM starting 6/4/2025

Both 20x and Rev5 will meet biweekly at
1:00 PM on alternating Wednesdays

The Community GitHub Repo will be the
source of work/truth. This includes:

- Discussions related to working groups
- Demos and proof-of-concepts
- Information sharing that may inform
updates in guidance

Zoom Q&As open from now on!

Thank you for your participation so far!

New Consolidated Discussion Board: <https://github.com/FedRAMP/community/discussions>

20x Phase One Pilot Updates

KSI RFC Closed

- Final KSIs will be released soon after board approval

Draft Submissions

- 9 draft submissions so far: 7 public and 2 private

Submissions for Authorization

- 2 final submissions so far
- Submission period will remain open based on demand
- Our goal is to start issuing authorizations this month
- Our strong preference is that you submit your package publicly
 - Public packages should not contain information that could be exploited by an attacker
 - CSPs may post public summary data and link to details hosted in a restricted location
- We are designing and adapting our 20x review process as we go
 - Currently it involves a number of review meetings

20x Pilot Q&A

Working Group Next Steps

- The next 20x community working group will meet **Wednesday, 6/25 at 1:00 PM.**
- If you are interested in bringing forward a topic, prototype, or idea to this working group, post in the discussion forums
 - **This is NOT an opportunity for product pitches**

Close-out
